**OPPOSED TO CONCEALED CARRY?
COME TO THE CAPITOL ON
TUESDAY, FEBRUARY 3, 2004, 9:00 A.M.
ROOM 425 SOUTHWEST**

On Tuesday, February 3, 2004, the Wisconsin Assembly will attempt to override the Governor's veto of a bill that will overturn Wisconsin's more than 130-year-old prohibition on carrying concealed weapons. The Assembly is moving forward with the override despite overwhelming evidence that the majority of Wisconsin citizens oppose such a law! These representatives, elected to represent the views of the citizens who elected them, are doing exactly the opposite for purely political reasons.

A very vocal minority, the pro-concealed carry movement, plan to pack the house! Don't let their voices ring louder than the majority of the state's citizens. [Please come and become a part of history.](#)

The Assembly plans to take the floor at 10:00 a.m. so don't be late. You can visit your Assembly representatives while you are at the Capitol to tell them that you oppose concealed carry. Materials will be available in Room 425 Southwest.

Women w/ children are encouraged to attend. **Pink**, first worn by the Mothers Acting Up group, has been a unifying color against concealed carry. Feel free to wear something pink or to wear any buttons/pins that identify your affiliation with an organization that opposes concealed carry.

Note: Other anti-concealed carry activities are in the works—too soon for details at this time!
