GlovesOn Program

The goal of the GlovesOn program is to educate the region’s surgeons on techniques available at UW Health to expand and enhance their surgical practices. A GlovesOn participant will become part of the surgical team in a UW Health operating room for an all-day, interactive training session in advanced surgical procedures.

GlovesOn participants can get involved in one of two ways:

- Observe a mutual patient in the OR
- Scrub in and assist on a particular procedure

For more information about GlovesOn training, visit: surgery.wisc.edu/gloveson

The UW Health Provider Advocacy Team was created to serve the needs of medical professionals and the patients they serve. The team is available to assist you when you need to access resources through UW Health. We understand that good communication is vital to the co-management of your patients. Feel free to contact the provider relations coordinator or physician liaisons if you need assistance.

**PROVIDER RELATIONS COORDINATOR**

**Lori Klitzke** is a hospital-based advocate for referring providers, their staff, referral coordinators and health plan staff.

**Lori is available to:**

- Assist with navigation of the UW Health system and services
- Assist with referrals, including referrals to multiple specialties and coordination of timely appointments
- Assist with communication and access issues
- Provide information about UW Health providers, specialty clinics, procedures and any information needed to access available services
- Provide clinical reports
- Assist with problems and complaint resolution
- Provide resource information such as directories and program information

Lori Klitzke, provider relations coordinator, is available at: (608) 263-8013 or lklitzke@uwhealth.org

**UW HEALTH PHYSICIAN LIAISON PROGRAM**

The UW Health Physician Liaison Program supports medical professionals and their staff who refer patients to UW Health. Physician liaisons ensure convenient access to hospital and clinic services, and continued communication with UW Health providers.

**The physician liaisons are available to:**

- Provide information on new physicians, treatments and services at UW Health, clinical research trials and continuing medical education opportunities
- Assist with relationship-building activities, such as UW Health physician visits to community physician offices or community physician site visits to UW Health locations
- Arrange speaking engagements for medical staff meetings/retreats
- Assist with resolving referral, access or communication issues

Physician liaisons are available via email or at: (608) 890-5793 or cpipeper@uwhealth.org
