We created the UW Health Provider Relationships Program to meet the needs of medical professionals and the patients they serve. Our team is available to assist in a number of ways when you or your staff need to access UW Health resources. We understand that good communication is vital to the co-management of your patients. Please feel free to contact us if you need assistance.

**PROVIDER RELATIONS COORDINATOR**

**Lori Klitzke**  
(608) 263-8013  
lklitzke@uwhealth.org

**Lori serves as an advocate for you and is available to:**
- Assist with navigation of UW Health system
- Assist with referral coordination, communication and access issues
- Share information about UW Health providers, specialty clinics and procedures
- Assist with problems and complaint resolution

**PROVIDER RELATIONS SPECIALIST**

**Jennifer Bodenstein**  
(608) 890-5793  
jbodenstein@uwhealth.org

**Jennifer is available to:**
- Provide resources such as directories and program information
- Provide clinical reports
- Facilitate educational webinars based on your requests
- Serve as a point of contact for other UW Health non-appointment-related questions

**UW HEALTH PHYSICIAN LIAISONS**

Our UW Health Physician Liaisons work with community-based providers who refer patients to UW Health. The goal of our team is to understand and meet your needs to better serve you and your patients.

**We are able to:**
- Schedule visits to provide information on new physicians, services, clinical trials and upcoming UW Health events
- Plan relationship-building meetings with UW Health Specialists in your facility and at your convenience
- Arrange educational programs, including CME lectures, webinars and Tumor Board presentations
- Provide assistance in the resolution of any service-related issues
