Provider Relationships Program

We created the UW Health Provider Relationships Program to meet the needs of medical professionals and the patients they serve. Our team is available to assist when you or your staff need to access UW Health resources. We understand that good communication is vital to the co-management of your patients. Please feel free to contact us if you need assistance.

Provider Relations Coordinator
Lori Klitzke  
(608) 263-8013  
lklitzke@uwhealth.org

Lori serves as an advocate for you and is available to:
• Assist with navigation of UW Health system
• Assist with referral coordination, communication and access issues
• Share information about UW Health providers, specialty clinics and procedures
• Assist with problems and complaint resolution

Provider Relationships Specialist
Jennifer Bodenstein  
(608) 890-5793  
jbodenstein@uwhealth.org

Jennifer is available to:
• Provide resources such as directories and program information
• Provide clinical reports
• Facilitate educational webinars based on your requests
• Serve as a point of contact for other UW Health non-appointment-related questions

Physician Liaisons
Our physician liaisons work with you, our community-based providers, to make sure we understand your needs and are available to help serve you and your patients. We are able to:
• Meet with you to share new physicians, services, clinical trials and upcoming UW Health events
• Arrange for you to meet with our specialists in your facility at your convenience
• Schedule educational programs, including CME lectures, webinars and Tumor Board presentations
• Provide assistance in resolving service-related issues
