Provider Relationships Program

We created the UW Health Provider Relationships Program to meet the needs of medical professionals and the patients they serve. Our team is available to assist when you or your staff need to access UW Health resources. We understand that good communication is vital to the co-management of your patients. Please feel free to contact us if you need assistance.

Lori Strelow
Director, Provider Relationships
(608) 890-5070
lstrelow@uwhealth.org

Lori serves as a personal contact to referring providers, as well as clinic and hospital leaders and staff regarding UW Health specialty services and advanced care. She is available to:

• Develop strategies to enhance the referring provider experience
• Address potential challenges and identify mitigation tactics necessary to build and maintain quality relationships between UW Health and our regional colleagues

Lori Klitzke
Program Manager, Provider Relationships
(608) 263-8013
lklitzke@uwhealth.org

Lori serves as an advocate for you and is available to:

• Assist with navigation of UW Health system
• Assist with referral coordination, communication and access issues across all inpatient and outpatient specialties
• Share information about UW Health providers, specialty clinics and procedures
• Assist with problems and complaint resolution

Physician Liaisons

Our physician liaisons work with you, our community-based providers, to make sure we understand your needs and are available to help serve you and your patients. We are able to:

• Meet with you to share new physicians, services, clinical trials and upcoming UW Health events
• Arrange for you to meet with our specialists in your facility at your convenience
• Schedule educational programs, including CME lectures, webinars and Tumor Board presentations
• Provide assistance in resolving service-related issues
